DOMINION ORDERS IN COUNCIL.

P.C. No. 890.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 19th day of June, 1925.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 11th of February, 1890 (P.C. 2065/G), an arrangement was entered into with the Province of British Columbia for the administration of mineral lands in the Railway Belt in that Province, under the terms of which the Government of Canada undertook not to make any disposition of minerals in the Railway Belt (except coal) other than by patent in fee-simple of the lands in which such minerals were found, to the intent that the minerals in the said Belt, other than coal, should be administered under the mining laws of the Province:

And whereas this arrangement was afterwards modified so that the administration of petroleum and natural-gas rights in the Railway Belt remained with the Dominion Government:

And whereas under the agreement with the Province, when the recorded owner of a mineral claim has fulfilled the requirements of the "Mineral Act" of British Columbia, application is made by the Province of the Dominion for a grant of the surface rights and base metals:

And whereas the Minister of the Interior reports that on the 2nd November, 1891, letters patent were issued to Joseph William Mackay, of Kamloops, in the Province of British Columbia, conveying the surface rights and the deposit of iron underlying Legal Subdivisions 10, 11, 14, and 15 of Section 19 and part of Fractional Legal Subdivision 2 of Section 30, all in Township 20, Range 19, west of the 6th meridian, but reserving to the Crown all mines and minerals other than the said deposit of iron:

That the owners of the iron-deposit conveyed by the said letters patent found gold, silver, and copper intermingled with the iron ore; they, therefore, in compliance with the Provincial mining regulations, applied for a grant of the mineral rights other than iron, and the Province in turn made application to the Department of the Interior for the mineral rights excluded from the grant to Joseph William Mackay:

That it does not appear, however, that any provision exists for the transfer to the Province of mineral rights which are the property of the Dominion of Canada in cases where the surface rights have previously been disposed of; and it is represented that further development of the minerals in and under the land above described is being retarded until the owners of the surface rights and

iron-ore deposit can secure the right to mine gold, silver, and copper:

Therefore, the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the undisposed of mines and minerals, except coal, petroleum, and natural gas, underlying the lands granted to Joseph William Mackay by the letters patent of the 2nd November, 1891, above referred to, be and the same are hereby vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior, 9736-au6

1. No person shall trap fur-bearing animals in any part of the Mainland part of British Columbia, except those portions of the Province known and defined as the Richmond-Point Grey, North Vancouver, South Vancouver, Delta, Dewdney, and New Westminster Electoral Districts, unless he shall first have secured registration of a trap-line, and no person shall set or cause to be set any trap save within the limits of the registered trap-line of which he is the holder.

Every person desiring to secure registration of a trap-line shall have taken out a licence to trap fur-bearing animals and shall make an application on a form prescribed by the Game Conservation Board, furnishing true information as to the following:—

- (a.) Full name of applicant;
- (b.) Full address;
- (c.) Nationality;
- (d.) Occupation;
- (e.) Length of residence within the Province;
- (f.) Serial number of his licence to trap fur-bearing animals;
- (g.) Full description of trap line, showing location and sufficiently defining said line by reference to the nearest known natural and geographical points;
- (h.) The number of years applicant has trapped said line and the name of the person or persons who previously trapped upon the said line; such particulars to cover as great a number of years as possible;
- (i.) The kinds of fur-bearing animals and an estimate of the number of animals along said trap line when first operated by the applicant and at the time of this application;
- (j.) Particulars as to the marks or signs set out denoting the boundaries of said trap line;

Provided that in respect to the holding of a licence to trap fur-bearing animals this section shall not apply to Indians, residents of British Columbia.

2. The selling, bartering, or trading of any registered trap line is prohibited.

3. Every holder of a registered trap-line shall, immediately upon the expiration of his licence to trap fur-bearing animals, submit a report to and on a form prescribed by the Game Conservation Board, showing the fur-bearing animals taken on said trap line within the period during which he held such licence.

4. Only one trap line may be registered by any person.

5. Every holder of a registered trap line shall blaze or otherwise mark such line in a manner

which will sufficiently indicate the same on the ground.

6. The allotting of a trap-line shall be in the sole discretion of the Game Conservation Board and their finding or ruling shall not be subject to any appeal. Upon being satisfied that the area applied for as a trap-line is suitable for the purpose and that trapping is warranted therein, and upon approving of the application, the Game Conservation Board may register the trap-line and issue to the applicant a certificate of the registration thereof.

7. No bird or mammal or any part of any bird or mammal shall be used as bait during any period when the hunting or killing thereof is unlawful in the district wherein the trap line or any part therein lies.

8. Registration of a trap-line shall be for the period terminating the 30th day of April next following the date of registration or renewal thereof only, but any person holding a registered trap-line may apply for a renewal of such registration not later than the first day of the next succeeding August after expiry thereof, provided he, if not an Indian, be then in possession of a licence to trap fur-bearing animals for the year in which application for renewal is made: Provided, however, that if in the interests of conservation the said Board has directed or consented to the same being untrapped in any year or years, the Game Conservation Board may preserve the right of such holder to the first and preferred right to apply for a renewal of the registration of such trap line when it is next opened for trapping.

9. The registered holder of a trap-line for which application for renewal of registration has not been duly made and granted as set forth in these regulations shall forfeit and lose all right thereto, and the trap-line may be applied for by any other qualified person.

10. Nothing contained in these regulations shall be construed as in any way to imply any estate or title in respect of any property or land, whether owned or in possession of the Crown or any other person.

11. These regulations shall apply only to trap-lines situate and lying on the Mainland, except those portions of the Province known and defined as the Richmond-Point Grey, North Vancouver, South Vancouver, Delta, Dewdney, and New Westminster Electoral Districts.

FIREARMS LICENCES RETURNS.

1. Each holder of a firearms licence issued under the provisions of the "Game Act" shall, within a period of two months after the expiration of his licence, return the same to the Game Conservation Board, with a statement on the back thereof showing the game taken by the licensee under his licence.
